## August 2025 News from the Office...

We have had some fun times this summer! I want to thank Miss Sarah, Miss Angel, Miss Katie, Miss Nicole, and Miss Keragan for taking on the schoolage program this summer—we have visited many fun places and had some fun times too! We are really looking forward to our field trip to the Bowling Green Water Park, and we want to thank all of our families for their support and contributions to our Bake Sale and Jewelry Sale! Our last day of the summer program will be Friday, August 15th.

After that, we will be welcoming back our families returning from their summer break. Typically, this week back tends to be a little harrowing as we all get back into the routine. Like you do at the airport, pack your patience!

Thank you to all the families that participated in our food and supply drive for the Humane Society. It means so much to teach the value of giving at a young age, it sets the children up to be productive and generous members of society as adults (we hope, anyway!). Thank you!!

A big thank you goes out to the Buress family for their generous donation of clothing! Thank you!

August marks the month in which our tuition rates will be rising. Before you make your payment this week, see someone in the office so that we can adjust your account and let you know what amount will be needed to add to your security deposit. The new rates go into effect on August 4th, 2025. A copy of these new rates is included with this newsletter. Please don't hesitate to ask if you have any questions.

Our Christmas Program will be held on Wednesday, **December 17th, 2025** (at the Maumee Indoor Theater). Please mark your calendars now!!

## Miss Lexi/Miss Tiffany/Miss Arianna —Infant Room News

Happy August! We are in the home stretch of summer (and hopefully the final stretch of heat) and that means lots of new faces in the baby room! We have already welcomed one sweet baby, Cecilia, the last week of July and we have many more this month, along with welcoming back sweet Arya. With all the new families our family involvement activity will be an “All About You” family questionnaire. We want each baby and family to feel valued and included and these questionnaires help us do that. If you already filled one out last year and nothing has changed you don’t have to do it again, just let us know when we pass them out. Our themes this month will include two weeks of dinosaurs, one week of “all about you” and a week of “back to school”.

Some of our crafts and activities will include making dinosaurs in many different ways, getting to know our senses through sensory play, an “all about you activity” and many other fun things!

This month our student of the month is Leo. Leo is such a sweet cuddly little guy. He gives the sweetest hugs and has an amazing giggle. He is learning how to walk and will also have his first birthday this month. Happy birthday Leo!

We also have some more exciting news! Logan can sit up all by himself for short periods of time, Scottie and Freya are talking up a storm and Ruthie will be moving to Miss. Nikki’s toddler class. We are always sad to see little ones leave our class, but we know Ruthie will thrive and learn so much in Miss. Nikki’s class. As always if you have any questions let us know!
